Healing Mass

Wednesday, February 18th at 7:30 p.m.

Celebrant: Fr. Michael Traher, S.F.M.

Prayers and confessions precede at 7:00 p.m.

"Here is the dream of this 'little grain of sand': Love Jesus alone, and naught else beside!"

St. Therese of Lisieux

Feb. 11 is World Day of the Sick

The ministry of Jesus to the sick is central to the life of the Church. Pope John Paul II in establishing this day stated: *"I consider most appropriate, indeed, the bestowal upon the entire ecclesial community of an initiative which, as already practiced in some nations and regions, has brought forth precious pastoral fruit."*

February 11 (memorial of our Lady of Lourdes)

highlights the healing ministry of the Church. It reminds us that

service to the sick and suffering cannot be neglected. It recognizes the great efforts of doctors, nurses, health care institutions and pastoral care givers to restore health to those afflicted with illness and disease.

Prayer for the Sick

Compassionate and healing God,

We pray today for all who are sick or injured.

Let your hand of healing and protection be upon them.

Ease any fears or anxieties they may be experiencing.

Let them feel Your comfort

and the comfort of those around them.

When they feel afraid,

give them courage and strength.

When they feel alone, send them someone

who can listen and be present to them.

When they feel confused,

give them reassurance and direction.

When they are in pain, provide them with caregivers

who can ease their suffering.

In their times of darkness, help them to be sustained by

the resources of their faith and inner spirit.

May all who are sick or injured

know You are with them today

and You hold them always in Your loving embrace.

Amen.
