### All Souls Day

#### Commemoration of All the Faithful Departed-November 2

The celebration of this feast originated with the Abbot St. Odilo and the monks of Cluny in 998.

Between All Saints feast, where the Church praised the saints in glory, and All Souls Day, wherein she turns to her suffering children and sends her prayers to God for their relief and release, we see the perfect section of the dogma of the communion of saints. On All Souls Day, priests may celebrate three Masses for the dead. We join our own prayers, sufferings and sacrifices to those of the faithful for all our beloved deceased. The best way to help the Souls in Purgatory is to offer Masses, the perfect sacrifice of expiation. With love and diligence, let us often pray for the suffering souls in purgatory.

## Jubilee Corner

### From Fr. Florentine

*Dear Parishioners,*

*The 75<sup>th</sup> Jubilee Year has come to an end. When I think back, it was really a year of grace and blessings. Many events took place and many projects undertaken. But the greatest thing about this jubilee year is that St. Theresa brought us together to realize that we are a community of faith and like her, we trust in God.*

*Let us thank for all the blessings of this special year, which made our faith deeper, our hopes stronger, and our love greater.*

*I thank each and every one of you for your support, encouragement, generosity and your goodwill. Especial thanks to the Jubilee Committee for the work well done.*

*Let us continue the journey with the same ardour towards our centenary celebrations. Let St. Theresa shower on you all the special roses from heaven.*

*God bless you.*
